

Dear Parents,

It is time to register for our Summer and Fall 2020-21 programs. We have a lengthy waiting list (60+), so please get these back by the deadline. Current students will be placed in the order the forms are returned. **I will begin accepting forms on Friday, February 21<sup>st</sup>, not before!** This gives everyone an equal opportunity to get the forms, and return them. Space is limited in the younger age classes and the Pre-K class The summer program will run from **Wednesday, May 20<sup>th</sup>** through **Friday, July 17<sup>th</sup>**. If you do not want your child to attend the **Summer**, program, just circle the days you want for the **Fall** program and return it with your registration fee. Our tuition will remain **\$25** each day for the first child, **\$23** for the second, **\$21** for the third for the summer program. Fall rates have not been set. **Children must register for a minimum of 2 days per week.**

Please complete the registration form and return it to my office with the registration fee(s) by Friday, February 21<sup>st</sup>. Applications returned without the registration fee(s) will not be considered. After this date, we cannot guarantee currently enrolled students a spot in our Summer/Fall 2020-21 programs. **You may go ahead and submit an application for a sibling of a current student if they are on our waiting list. However, it does not guarantee placement.**

Students enrolling in our **3 and 4 year old classes** are **REQUIRED** to be **potty trained and wear UNDERWEAR to school. NO exceptions will be made.** It is impossible for our teachers to teach and accommodate diapering needs in the older classes. It is our goal to begin teaching our 2 year olds independence and how to take care of personal needs. Please support us and work with your child at home as they make this transition from diapers to underwear.

**If you sign up for the summer program, you WILL be responsible for all the 8 weeks of tuition, except Memorial Day and July 4th—even if your child does not attend.** You may not drop any days after **May 1, 2020 (after that you will be responsible for at least 2 weeks to give a notice of change)**. There is a **\$20** per child registration fee for both summer and Fall (Total of \$40/child for both sessions. Enrollment fees are \$35 for summer and \$70 for Fall. If your child is placed the registration fee will be deducted from the enrollment fee. These **non-refundable fees\*** are **due** with the registration form by **Friday, February 28<sup>th</sup>**. We must have the registration **fee(s)\* and the form** to consider placement. **NO EXCEPTIONS!!!**

Our Fall program will begin on **Wednesday, August 5<sup>th</sup>** You may not drop any days after **July 24<sup>th</sup> ( after that you will be responsible for at least 2 weeks to give a notice of change)** If your needs change before then, please notify me as soon as possible, and I will do my best to accommodate your requests. **Please do not ask for more days than you intend to use.**

Thank You,
