"I Hope You Know"

It's the most needed, most abused, most sought after, most confused, most desired, and most denied concept given to us by God of God. Where can we see love, the way it ought to be? We see it in the tired eyes of a mother, up all night because their little one just can't sleep, unless they are wrapped in a blanket of two arms. We see it in the wearied hands of a father, fighting back the world everyday, to provide, not just an income, but an environment of safety and security for all in his care. That little life has no idea what is being done for it. It doesn't know the toll on the body to supply food. It doesn't know the fatigue on the muscles to be deprived of sleep. That little one doesn't know the inconvenience of un-patterned time. They can't walk, so they are carried. They can't talk, so they have an interpreter named Mom. They are unable to defend themselves, so they have a protector in the family. These things are not done because they are convenient. If it were out of convenience that these needs were met it wouldn't be extraordinary. But it's not out of convenience, it's out of love.

That little one will go literally years before they ever know their earliest days were provided for through sleepless nights, interrupted days, calmed tears, or soothed fears. We are still, so much like little children. It will be years before we see, truly see, there was always One, staying up with us at night when our tears kept us awake. It will be a lifetime before we know of the One who fought for us when we were sick and really didn't know it, but knew what we needed to help us be better. It will take some of us a lifetime to realize, just how many times we were held by unseen hands; how often we were protected by an unmistakable power; how that ultimately we were saved by an indescribable love.

"Beloved, let us love one another, for love is of God; and everyone who loves is born of God and knows God. He who does not love does not know God, for God is love. In this the love of God was manifested toward us, that God has sent His only begotten Son into the world, that we might live through Him. In this is love, not that we loved God, but that He loved us and sent His Son to be the propitiation for our sins. Beloved, if God so loved us, we also ought to love one another" (I John 4:7-11).

Wednesday, February 14, 2018 we will share together a special night for you and yours. "Love is..." will be our theme for a night of food, fellowship and focus of our faith on this gift of love from the Father. We'll assemble around 6pm with our evening beginning at 6:15pm in the fellowship hall. That night, our young people 4th grade and down will be treated to a special bible hour in the Lighthouse, with a meal provided for them. Our other youth will help serve in the fellowship hall for our evening, consisting of a three course meal and message. For the appetizer, main course and dessert, we'll enjoy the night together as we focus on God's love.

We want you and yours to come share the evening with us and be encouraged by the time. We also want you to plan for a great night with your church family. I hope you know, as we celebrate our love for the Lord, we share in our love for one another and those special to our hearts.

OUR LIGHTHOUSES ARE ALWAYS a perfect time to be together before Wednesday Night Services. Thank you to Jesse, Marilyn & Alex Seagraves and Jim, Lesley, Dakota & Houston Hudgins for fixing some tasty food and for hosting the Lighthouse last week. We had a wonderful time and a good crowd.

THE SENIOR HIGH FIRESIDE was also fantastic this past Sunday night as Mike & Belinda Potts hosted with help from Matthew & Cissy Dotson. We enjoyed a delicious meal followed by our devo. We looked at the story of Daniel and how he Chose, Acted and Purposed in his heart to do what he did. We ended the night with some volleyball that had us fighting it out to the end.

ON SUNDAY, FEBRUARY 11 THE SPARKS & INTERMEDIATES will be having a special time in the Lighthouse! Jeremy & Meredith Qualls will be hosting the event beginning at 11:30. Lunch will be provided and the kids can be picked up by 1:30. Please RSVP to Meredith so she is aware how many to prepare food for. I will provide her number on Sunday Announcements if you don't have it or have a chance to see her.

DON'T FORGET...THE JUNIOR HIGH RETREAT is February 16-18 at Camp Meribah. Our theme is "Home Hunters" as we look at Hebrews 13:14. We will have a lot of fun, make a lot of memories and focus on our search for home. Applications are available at the Youth News Board. Pick one up for yourself and one for your friends. I need those applications back with your money no later than February 12!

THE YOUTH DEACONS are finalizing their search and soon a new youth minister will be announced. Please continue to pray for the process, the new youth minister and his family and our youth ministry transition. We are blessed with wonderful young people, supportive parents and a church that believes in youth. May we continue to be encouragers, examples and enthusiastic about training the next generation of leaders and teachers of this church as we all continue to... follow His path, -Craig
