Carter's Corner

THE PAST WEEK has been a whirlwind, as our family officially added a new member last Monday with the birth of our daughter Ansley. We are all smitten with our new little girl, and I am cherishing every moment of snuggling such a precious new life. Being a father for the second time has taught me to slow down and enjoy every moment when they are this small because this only lasts for a short time. I have been thankful and grateful for our church family so much during the past week. Everyone has been so wonderful calling, texting,

sending cards, sharing gifts, bringing food, and ultimately loving my family during this exciting and new time in our lives. Shelby and Ansley are both doing great, and Cade is becoming a good big brother. We are looking forward to everyone having the chance to meet Ansley in the coming weeks.

OUR FIRST EVER ROCK QUARRY SINGING was a tremendous success this past Sunday evening. I was proud to see such a great turnout from both our congregation and surrounding congregations. The weather was perfect and the Quarry is getting in great shape. I am thankful for all the hard work that went into the planning of this event, as well as all the hard work done by our Camp Board to prepare the location for the singing. As Todd said Sunday, we hope to make this an annual event in the future and look forward to seeing this event grow and improve each year.

SENIOR SUNDAY is right around the corner on Sunday, May 16th. Senior Information forms have been sent out to all of our graduating seniors. If for some reason you did not receive this form, please contact me ASAP.

In Him, Carter

The Shepherd's Pen

"In His hand are the deep places of the earth; The heights of the hills are His also. The sea is His, for He made it; And His hands formed the dry land. Oh come, let us worship and bow down; Let us kneel before the LORD our Maker. For He is our God, And we are the people of His pasture, And the sheep of His hand. Today, if you will hear His voice." (Psalm 95:4-7) It was a wonderful day Sunday! The outdoor singing at the Rock Quarry was well attended and very uplifting. We appreciate very much the many visitors and their gratitude. The Rock Quarry is a unique place. We will continue to work on that area and next year the beautiful rock bluff will be more visible to behold. We extend a thank you to all that helped, the Camp Board, the men leading singing, and our office staff. Next year will be bigger and better!

There are many who do not attend here but have a love and appreciation for the works of this church. We thank Maurice Rogers for his donation toward the worship streaming and weekly bulletin ministry.

It is wonderful to see many of you back in the assembly for worship service. Looking forward to Sunday and the forecasted weather is looking to be a beautiful Spring day. Let us all be an encouragement, enthusiastic, and engaged!

"Dear Centerville Church of Christ, My husband and I just wanted to send you a note of thanks for helping us pay our electric bill last month. I am permanently disabled and my husband is a carpenter. We have had a very difficult last year due to the effects of COVID on his business, and we were unable to pay our electric bill. Shane Willis was very kind and offered to make a payment toward our bill on behalf of the church. We are very grateful for your assistance when we needed it most. Sincerely..."

In Christian Love To Show Appreciation For The Centerville Church of Christ Elders:

"Although you may not hear it as often as you should, you are appreciated so much. I wish I had a new way to say thank you. A way that would really express how much your kindness has meant to me. You have a way of touching lives, of making days a little brighter, hearts a little happier and problems seem a whole lot smaller. You are a wonderful gift to me and my life is better because you're in it." *Robert & Sandy Bryant & Brieanna*

Margie Copley writes: " Albren & I want to thank you for the many beautiful cards & thoughtful phone calls that we received for our anniversary. Your graciousness in remembering us brightened our special occasion, and we are truly grateful. I miss being with you at church, but I feel blessed to be able to listen to our Sunday church services on the radio. I am hoping to be back with you very soon. What a wonderful and special church family we have."

Facilities & Grounds

Due to our great volunteers, we have only two areas left to adopt for 2021. These areas are the Bell Tower / Front of Outreach Center and the Murphree Avenue entrance. Both are great Class Projects for 2021! Let's keep our "Shine" on for the September Anniversary Celebration!
