Life Changing Encounters – Part 2

This week we return to the story of the coming of Jesus and how the lives of those associated with that coming were changed forever. There is an announcement made in the second chapter of Luke to an unlikely group of people that contains for all of us a very important message. Sunday, as we come together for worship, we will listen as Luke tells this story and we will find in it life changing words for those to whom these words were addressed and for every one of us.

I am grateful each week to share with a congregation eager to open and appreciate the Word of God. Bring your Bible Sunday and let's study together!

Genesis – Part 6

Sunday evening at 5 p.m. we move from Adam to Noah and we hear the Lord say, 'My Spirit will not contend with humans forever...' It is a frightening statement as God sees how great the wickedness of the human race had become on the earth and that the hearts of men were set on evil all the time.

So early in the Biblical narrative we already see that from which Jesus has come to deliver us and find great reason to rejoice. Our study is going so well and if you are not joining us, please come and share for about thirty minutes on Sunday afternoon. Jim Brown

The *Annual All Church Night* was a wonderful evening. We want to thank those that set up and decorated, the delicious food catered from Fish Camp Restaurant, the many desserts that were prepared, everyone that served and pitched in during the evening, and the many that helped clean-up. A special thank you to Harrison and Brooke Kelley for the entertainment and let's not forget Santa who dropped in at the close of the evening. It was a wonderful, wonderful night! As we continue through the month of December there will be Bible class parties, Sunshine Bags assembled and delivered, toys and food given to families in need. We are a busy church family. If you are not involved, get involved! This is the time of the year the world recognizes and celebrates the birth of our Lord. When Jesus is in the forethought of the minds of people, we are always thankful. The remembrance of our Lord should not be characterized within a seasonal time of the year, but within our hearts daily. The birth of Jesus revealed God's *plan* (Matthew 1:23), the life of Jesus revealed God's *person* (John 14:9), the death of Jesus revealed God's *pardon* (Ephesians 1:7), and the resurrection of Jesus revealed God's *purpose* (Romans 4:25). Paul wrote in II Corinthians 9:15, *Thanks be to God for His indescribable gift!* We are excited about this Sunday and looking forward to seeing you.

A MESSAGE FROM THE ELDERS

Christmas is a Holiday in which families gather to enjoy fellowship and the joy of giving. Being in the home of those we love and making memories we will keep close to our hearts is essential for the family that God holds dear. Since Christmas Eve will fall on Wednesday this year, the mid-week service will be Tuesday, December 23 at 7p. This will allow families to enjoy holiday time together. The following week Wednesday service will be on Tuesday, December 30 at 7p.
