EVANGELISM
THE WORK OF THE CHURCH

Though most Tennessee football fans won't admit it, Alabama for several years under coach Nick Saban was the most successful college football program in the country, winning multiple National Championships. Saban is without question one of the greatest football coaches to have ever coached the game.

Aside from the X's and O's of the game, Saban was a great motivator of players. He would get them to buy into the team first mentality. Giving yourself up for the benefit of the team. One of the things that he would say and that you would see all over the locker room was the statement "DO YOUR JOB". Not said in a negative way, but in an encouraging way to each player to understand that if the team was going to succeed each player had to do their job.

Understanding evangelism is a lot like that. We have been given a job to do by Christ (Matthew 28:16-20) for the benefit of the Lord's church and the benefit of saving lost souls. We are to "DO YOUR JOB" in telling others about Christ. Yes, there are multiple ways of doing this, our example, our love for others, etc...but that doesn't remove the command to go and reach out and teach the lost. Yes, telling others about Jesus Christ and that salvation is through Him, and only Him, is the job all Christians have been given.

So, as we move forward with our mission of each member teaching and bringing just one soul to Christ in one year, we need to understand and commit to giving ourselves up for the cause of Christ and each of us, "DO YOUR JOB"!

God has promised to give the increase if we will try to spread His word. God Bless -Todd

BINGO NIGHT at Lighthouse was a blast! Our Senior Ministry did an incredible job hosting, providing great food, and making the night so much fun. The competition was fierce, the prizes were big, and the energy in *The Lighthouse* was unmatched. A huge thank you to everyone who made it possible! Take a look at some of the highlights from the night below.

OUR JUNIOR HIGH FIRESIDE on Sunday was another great night of fellowship and encouragement. It is always a blessing to see our students growing in their faith together. Thank you to Braydon Chessor for hosting!

LOOKING AHEAD, we are excited for 5th Quarter this Friday night, February 7. After the ball games, come hang out with us in the Fellowship Hall until 10:30 PM for food, games, and fun. This is a great event to bring a friend and enjoy some time together after a busy school week.

MARK YOUR CALENDARS and start signing up for Sr. High Stay-Cation, March 13-16! Normally, we take our Sr. High Retreat to Gatlinburg, but this year, finding a weekend that worked for everyone was nearly impossible. Instead of missing out, we are bringing the experience home with a local Stay-Cation at Camp Meribah's Dotson Alumni Lodge. This weekend will still have all the fun, food, and fellowship of a retreat—just without the long drive. Registration is open now!

WITH VALENTINE'S DAY just around the corner, we are continuing our four-week devotional series on love. This week's devotional focuses on the power of selfless love. The world often portrays love as something we receive—what someone else can do for us. However, true love is about giving. Jesus showed the greatest example of love when He gave Himself for us on the cross. In John 15:13, He said, *"Greater love has no one than this: to lay down one's life for one's friends."* Statistics show that 73% of teenagers say they feel happiest in relationships where they feel appreciated rather than when they are just being given things. This tells us that selfless love makes the biggest impact. This week, talk with your teenager about what it means to love selflessly. Challenge them to do something for someone else—without expecting anything in return. Whether it is writing a note of encouragement, helping a friend, or simply listening, small acts of selfless love reflect Christ's example. Pray together for hearts that seek to love others the way Jesus loves us. Have a great week! In Him, Carter
