### *Present Suffering and Future Glory*

Sunday brings lesson 9 in our current preaching series, 'The Gospel.' As we come to this point in our study, Paul will give us much needed encouragement about the hardships of this life when compared to the glory God has in store for us in the life to come.

We all know that life in a broken world is often hard and sometimes even brutal. When Paul tells us that our present sufferings are not worth comparing to the glory that is to come, it's one of those statements in scripture that we have a hard time swallowing. Human beings want immediate answers to every dilemma of life and we have all lived long enough to know and understand that life just doesn't happen that way.

So, what do we do and how do we cope and how do we live not just for the physical existence we now experience but for a changed existence to come? Paul will guide us through this journey and I look forward to sharing with you on Sunday!

#### New Sunday Evening Class – Genesis

Thank you so much for the wonderful response to 15 weeks studying the book of Job! In many ways, this is a hard text, but everyone worked together as we considered every word of every verse in this powerful story. I appreciate your participation. Now, we turn our attention to another wonderful Old Testament text, the book of Genesis. How did we get here? Why are we here? Who are we, really? What is our purpose? All of the answers will come clear as we consider the 'first' book of scripture.

This will be time well spent together! I hope you will be part of our new Sunday evening class. Jim Brown

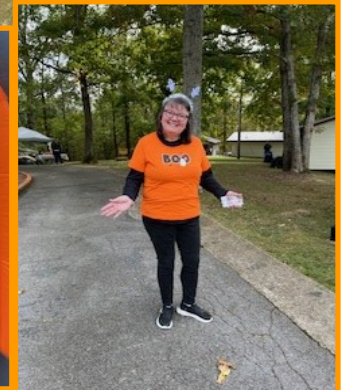

This week several experienced the first frost. The first frost marks the end of the growing season for most plants, and we begin to give thought in preparing for colder weather. "He gives snow like wool; he scatters frost like ashes." (Psalm 147:16) This verse uses realistic imagery to describe God's control over nature and God's power over the earth's weather and seasons. This Saturday there is the Men's Fish Fry at Camp Meribah from 4pm until 6pm. Look forward to seeing everyone. On Monday, October 27<sup>th</sup>, six of the Senior Group traveled to *The Well* in Clarksville to help serve meals to the homeless.

There were 236 meals served. With the winter months approaching, this ministry has a great need for winter coats, gloves, and winter caps for men and women. This Sunday following worship service there will be men available collecting donations toward this need. The money collected will be used to purchase the items needed for the homeless and delivered to *The Well* for distribution. Your compassion and generosity will be greatly appreciated. Paul reminds us of the words of Jesus, "*It is more blessed to give than to receive.*" (Acts 20:35) Let us all be *encouraging, enthusiastic, and engaged!* Looking forward to seeing you Sunday. Your Elders
