

CAMP MERIBAH THEME NIGHT INFORMATION

The Centerville City Pool will be closed for the summer, which may seem like a bummer for many of our campers. In response to this, however, our camp staff is planning a week filled with Theme Nights to help fill in the gap of pool time. Below you will find a list of Theme Nights for each week. Parents may choose to send a t-shirt or simple costume to help their child participate in each activity. Dressing up is optional each night, and no one should feel like they need to go out and buy anything these activities. Camp Meribah is fun and we want everyone to feel prepared to enjoy the fun with us!
